### SHOWER CHAIR ADJUSTABLE (No Arms)

**PRODUCT CODE - PC5700**

This Shower Chair is made using powder coated corrosion resistant **GALVANISED** tubing, aluminium adjustable legs and a plastic moulded seat making it an ideal chair for both domestic and institutional use. The moulded seat allows for both cleanliness and comfort whilst the absence of armrests allow for side transfer on and off the chair ensuring safety and confidence. The U-Frame design also allows for stacking of chairs for easy storage.

**PROUDLY MADE IN AUSTRALIA.**
